

## Richard L. Marsh

Curriculum Vitae — February 2010

### Personal Information:

Department of Psychology  
University of Georgia  
Athens, GA 30602-3013  
(706) 542-0058

135 Spalding Court  
Athens, GA 30605  
(706) 353-3073

Email: rlmars@uga.edu  
FAX: (706) 542-3275

Born: Hartford, CT

### Education:

Wesleyan University, 1985  
B.A., Economics, Psychology  
Valedictorian

Wesleyan University, 1988  
M.A., Psychology

Stanford University, 1993  
Ph.D., Psychology

### Honors and Distinctions:

- Fellow, American Psychological Society
- Fellow, American Psychological Association, Division 3
- Graduate Teaching Award, Univ. of Georgia, '95, '96, '97, '01, '02, '04, '07, '08
- Undergraduate Advising Award, Honorable Mention, 2001
- Centennial Teaching Award, Stanford University
- IBM Graduate Fellowship
- National Science Foundation Fellowship
- Thorndike Prize: Excellence in psychology, Wesleyan University
- Hallowell Prize: Excellence across social sciences, Wesleyan University
- Phi Beta Kappa
- Psi Chi
- White Fellowship: Advanced research, Wesleyan University (twice)
- Clee Scholar, Wesleyan University
- Weller Prize: Academic excellence, Wesleyan University
- Ayres Prize: Academic excellence, Wesleyan University

**Professional Positions:**

2003-pres	Professor of Psychology, University of Georgia
1999-2003	Associate Professor of Psychology, University of Georgia
1993-1999	Assistant Professor of Psychology, University of Georgia
1989-1991	Research Affiliate & Consultant, Xerox, Palo Alto Research Center
1988-1993	Contract Statistical Consultant, R&D Enterprises, Belmont, CA
1987-1988	Research Assistant in Psychology, M. Sebrechts, Wesleyan University
1987-1988	Systems Programmer, Wesleyan University Computing Center
1985-1986	Research Analyst and Management Consultant, Booz, Allen & Hamilton
1983-1985	Manager, Cognitive Science Laboratory, Wesleyan University

**Professional & University Service:**

2005-pres	Associate Editor, <i>Memory &amp; Cognition</i>
2003-pres	Chair, Cognitive Program
2003-pres	Graduate Studies and Curriculum Committee
1995-pres	Technology Advisory Committee, University of Georgia
1993-pres	Quantitative Curriculum Committee, University of Georgia
1996-2006	Undergraduate Studies and Curriculum Committee
1995-2004	University-wide Review Board on Human Participants
1993-2003	Executive Committee for Cognitive Science Curriculum
1997-2002	Departmental Long Range Planning Committee (Chair 99-01)
1995-2002	Domain Networking Liaison to University Computing Service
1997-2001	Consulting then Associate Editor, <i>Memory &amp; Cognition</i>
1998-2001	Senator, College of Arts & Sciences Faculty Senate
1998-2000	External Departmental Review Committee (chair)
1995-1999	Faculty Advisor to Psi Chi Honor Society

**Professional Affiliations:**

- Psychonomic Society
- American Psychological Society
- American Psychological Association
- Cognitive Science Society
- Sigma Xi

**Teaching Experience:**

I currently teach (a subset of) the following courses:

- Cognitive Psychology (graduate core)
- Cognition (undergraduate core)
- Human Learning and Memory (graduate seminar)
- Statistical Methods (graduate core)
- Research Design and Analysis (graduate, advanced 4<sup>th</sup> level)
- Advanced General Psychology (undergraduate integrative course)

**Refereed Papers:**

Knight, J. B., Ethridge, L. E., Marsh, R. L., & Clementz, B. A. (2010). Neural correlates of attentional and mnemonic processing in event-based prospective memory. *Frontiers in Human Neuroscience*.

Brewer, G. A., Marsh, R. L., Clark-Foos, A., & Meeks, J. T. (in press). Noncriterial recollection influences metacognitive monitoring and control processes. *Quarterly Journal of Experimental Psychology*.

75 Brewer, G. A., & Marsh, R. L. (In Press). Simulating the future and event-based prospective memory. *Cognitive Neuroscience*.

Brewer, G. A., Knight, J. B., Unsworth, N., & Marsh, R. L. (In Press). Individual differences in event-based prospective memory: Evidence for multiple processes supporting cue detection. *Memory & Cognition*.

Marsh, R. L., Brewer, G. A., Jameson, J. P., Cook, G. I., Amir, N., & Hicks, J. L. (2009). Threat related processing boosts prospective memory retrieval for people with obsessive tendencies. *Memory*, 17, 679-686.

Marsh, R. L., Meeks, J.T., Cook, G. I., Clark-Foos, A., Hicks, J. L., Brewer, G. A. (2009). Retrieval constraints on the front end create differences in recollection on a subsequent test. *Journal of Memory and Language*, 61, 470-479.

Meeks, J. T., & Marsh, R. L. (2009). Implementation intentions about nonfocal event-based prospective memory tasks. *Psychological Research*.

70 Clark-Foos, A., Brewer, G. A., Marsh, R. L., Meeks, J. T., & Cook, G. I. (2009). The valence of event-based prospective memory cues or the context in which they occur affects their detection. *American Journal of Psychology*, 122, 89-97.

### **Manuscripts in Preparation:**

- Marsh, R. L., Hicks, J. L., Cook, G. I., & Shippey, L. P. When degree of learning is manipulated at study dividing attention at test affects conjunction errors.
- Cook, G. I., Marsh, R. L., & Hicks, J. L. Intentions to give versus receive information influence cue detection.
- Marsh, R. L., Hicks, J. L., & Hancock, T. W. False memories in an associative recognition paradigm.
- Marsh, R. L., Hicks, J. L., Reese, J., & Jolles, J. Textual variables during reading affect event-based prospective memory.
- Bink, M. L., & Marsh, R. L. Metacognitive beliefs and source-monitoring decision processes.
- Marsh, R. L., Landau, J. D., & Hicks, J. L. Categorical constraints on creativity.

**Invited Talks:**

- Hicks, J. L., Marsh, R. L., & Cook, G. I. (November, 2006). The influence of contextual association on prospective memory. In P. Graf (Chair), *Advances in Prospective Memory*. Symposium conducted at the 47th Annual Meeting of the Psychonomic Society, Houston, Texas.
- Hicks, J. L., Marsh, R. L., & Cook, G. I. (May, 2006). Accounting for response bias and criterion setting in the remember-know paradigm. Symposium at the 18th Annual Convention of the American Psychological Society, New York.
- Hicks, J. L., Marsh, R. L., & Cook, G. I. (July, 2005). Associating intentions to well-specified retrieval contexts is helpful in some cases but harmful in others. Second International Conference on Prospective Memory, Zurich, Switzerland.
- Hicks, J. L., & Marsh, R. L. (July, 2001). Resource allocation and retrieval dynamics of event-based prospective memory. In J. Ellis and R. West (Chairs), *Executive processes in prospective memory*. Symposium conducted at the meeting of The Third International Conference on Memory, Valencia, Spain.
- Marsh, R. L. & Hicks, J. L. (July, 1999). Noticing Intention-Related Events: The Role of Task Switching, Production Rules, and Executive Control. First International Conference on Prospective Memory, Hatfield, England.
- Marsh, R. L. (December, 1999). Discriminating Beliefs from Actions in Prospective Memory. Iowa State University.
- Marsh, R. L. (May, 1999). Events that remind of intentions to perform. Georgia Institute of Technology.
- Marsh, R. L. (January, 1997). Varieties of unconscious plagiarism. University of Texas at Austin.
- Marsh, R. L. (February, 1997). Use of prior knowledge in creative problem solving. University of North Carolina at Greensboro.
- Marsh, R. L. (March, 1995). On the generality of manifestations of unconscious plagiarism. Boston University.
- Marsh, R. L. (December, 1994). Activation of knowledge structures and its unconscious use in creative tasks. Amherst College.
- Marsh, R. L. (January, 1994). Item activation in paradigms of unconscious plagiarism. Rutgers University (at Newark).
- Marsh, R. L. (February, 1994). On the genesis of inadvertent use of knowledge. Williams College.

**Grants:**

National Institutes Health. *Advice and support: Self-evaluation considerations.*

Co-investigator with Steven R. H. Beach. Direct costs: \$550,000; indirect costs: \$165,000 (total: \$715,000).

Georgia Gerontology Consortium. *Output monitoring and prospective memory in older adults.* 1998-99.

Center for Applied Cognitive Research on Aging. *Prospective memory in older adults.* 1998.

University of Georgia Research Foundation, Inc. *Brain Potentials Evoked During Source-Monitoring Judgments.* 1996-97.

University of Georgia Research Foundation, Inc. *Successfully Remembering One's Intentions.* 1995-96.

University of Georgia Research Foundation, Inc. *Social Aspects and Components of Unconscious Plagiarism.* 1994-95.

Department of Psychology, University of Georgia, Athens, GA, 30602. (706) 542-3020.

Dr. Stuart B. Katz

Department of Psychology, University of Georgia, Athens, GA, 30602. (706) 542-3039.

**Vita Addendum Listing Professional Presentations**

- Knight, J. B., Brewer, G. A., Clementz, B. A., & Marsh, R. L. (April, 2010). On the role of attentional processes in event-based prospective memory. Presented at the annual meetings of the Cognitive Neuroscience Society, Montreal, Canada.
- Clark-Foos, A., Marsh, R. L., Foos, P. W., & Clark, M. C. (March, 2010). Taking Breaks May Impair the Completion of Future Actions. Presented at the 56th Annual Meeting of the Southeastern Psychological Association, Chattanooga, TN.
- Brewer, G. A., Knight, J. B., Spillers, G. J., Unsworth, N., & Marsh, R. L. (November, 2009). Individual Differences in Event-Based Prospective Memory. Presented at the annual meeting of the Psychonomic Society, Boston, MA.
- Meeks, J.T., Cook, G.I., Marsh, R.L., Einstein, G.O., & Hicks, J.L. (November, 2009). Attentional allocation policies affect cue detection and interference on both related and unrelated tasks. Presented at the annual meeting of the Psychonomic Society, Boston, MA.
- Meeks, J.T., Brewer, G.A., Knight, J.B, Marsh, R.L., & Clark-Foos, A.G. (November, 2009). On the Role of Imagery in Event-Based Prospective Memory. Presented at the annual meeting of the Psychonomic Society, Boston, MA.
- Meeks, J. T., Cook, G.I., Marsh, R.L., & Einstein, G.O. (April, 2009). Types of interference from event-based prospective memories. Presented During The Ellis-Battig Symposium At the 79th Annual Meeting of the Rocky Mountain Psychological Association, Albuquerque, NM.
- Hicks, J. L., Clark-Foos, A., Marsh, R. L., & Meeks, J. T. (April, 2009). Time-related intentions are affected by background activities. Presented during the Ellis-Battig Symposium at the 79th Annual Meeting of the Rocky Mountain Psychological Association, Albuquerque, NM.
- Meeks, J. T., Clark-Foos, A., Brewer, G. A., Knight, J. B., & Marsh, R. L. (February, 2009). Stimulus effects on rejection processes in a recognition memory test. Presented at the 55th Annual Meeting of the Southeastern Psychological Association, New Orleans, LA.
- Clark-Foos, A., Meeks, J. T., Knight, J. B., Brewer, G. A., & Marsh, R. L. (February, 2009). Semantic sense affects source monitoring. Presented at the 55th Annual Meeting of the Southeastern Psychological Association, New Orleans, LA.
- Brewer, G. A., Clark-Foos, A., Meeks, J. T., Knight, J. B., & Marsh, R. L. (February, 2009). The role of declarative knowledge in encoding prospective memories. Presented at the 55th Annual Meeting of the Southeastern Psychological Association, New Orleans, LA.

- Knight, J. B., Brewer, G. A., Clark-Foos, A., Meeks, J. T., & Marsh, R. L. (February, 2009). Lure interference in event-based prospective memory. Presented at the 55th Annual Meeting of the Southeastern Psychological Association, New Orleans, LA.
- Brewer, G. A., Clark-Foos, A., Marsh, R. L., Meeks, J. T., & Foos, Paul. W. (November, 2008). Noncriterial recollection affects feelings of knowing. Presented at the 49th Annual Meeting of the Psychonomic Society, Chicago, IL.
- Brewer, G. A., Clark-Foos, A., Marsh, R. L., & Meeks, J. T. (November, 2008). The testing effect does not uniformly change source monitoring. Presented at the 49th Annual Meeting of the Psychonomic Society, Chicago, IL.
- Brewer, G. A., Meeks, J. T., Clark-Foos, A., Cook, G. I., & Marsh, R. L. (May, 2008). Self-Initiated cueing and activity-based prospective memory. Presented at the 20th Annual Meeting of the American Psychological Society, Chicago, IL.
- Clark-Foos, A., Brewer, G. A., Meeks, J. T., Marsh, R. L., Foos, P. W., & Clark, C. (May, 2008). The influence of noncriterial information on metacognitive search strategies. Presented at the 20th Annual Meeting of the American Psychological Society, Chicago, IL.
- Brewer, G. A., Clark-Foos, A., Meeks, J. T., & Marsh, R. L. (March, 2008). Grand theft plagiarism: Stealing less when we will get caught. Presented at the 54th Annual Meeting of the Southeastern Psychological Association, Charlotte, NC.
- Clark-Foos, A., Brewer, G. A., Meeks, J. T., & Marsh, R. L. (March, 2008). Judging reality: I've got to admit it's getting better. Presented at the Annual Meeting of the Southeastern Psychological Association, Charlotte, NC.
- Meeks, J. T., Clark-Foos, A., Brewer, G. A., Hicks, J. L., & Marsh, R. L. (March, 2008). Utilizing retrieval modes: Improving memory on the front end. Presented at the Annual Meeting of the Southeastern Psychological Association, Charlotte, NC.
- Cook, G.I., Meeks, J.T., Marsh, R.L., & Einstein, G.O. (November 2007). Attentional manipulation affects focal and nonfocal prospective memory differently. Presented at the 48th Annual Meeting of Psychonomic Society, Long Beach, CA.
- Meeks, J. T., Cook, G. I., Clark-Foos, A., Brewer, G. A., & Marsh, R. L. (November, 2007). Careful inspection of memory reduces recognition memory accuracy. Presented at the 48th Annual Meeting of the Psychonomic Society, Long Beach, CA.
- Brewer, G. A., Clark-Foos, A., Meeks, J. T., & Marsh, R. L. (February, 2007). Valenced context affects event-based prospective memory. Presented at the 53rd Annual Meeting of the Southeastern Psychological Association, New Orleans, LA.
- Clark-Foos, A., Brewer, G. A., Meeks, J. T., & Marsh, R. L. (February, 2007). Emotionally arousing stimuli survive taxation of processing resources. Presented at the 53rd Annual Meeting of the Southeastern Psychological Association, New Orleans, LA.

- Marsh, R. L., Meeks, J. T., Cook, G. I., Clark-Foos, A., & Hicks, J. L. (November, 2006). Retrieval constraints create differences in recollection. Presented at the 47th Annual Meeting of the Psychonomic Society, Houston, TX.
- Cook, G. I., & Marsh, R. L. (November, 2006). Memory for intention-related material presented in a to-be-ignored channel. Presented at the 47th Annual Meeting of the Psychonomic Society, Houston, TX.
- Cook, G. I., Marsh, R. L., & Hicks, J. L. (November, 2005). Source memory in the absence of successful cued recall. Presented at the 46th Annual Meeting of the Psychonomic Society, Toronto, Canada.
- Jones, L., Estes, Z. C., & Marsh, R. L. (November, 2005). The role of conceptual relations in recognition memory. Presented at the 46th Annual Meeting of the Psychonomic Society, Toronto, Canada.
- Shearer, R., Beach, S., & Marsh, R. (November, 2005). At the border of social psychology and memorial processes: Inadvertent plagiarism as an indirect measure of self-evaluation threat. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Washington, D.C..
- Cook, G. I., Marsh, R. L., & Hicks, J. L. (November, 2004). Context expectation affects time-based prospective memory. Presented at the 45th Annual Meeting of the Psychonomic Society, Minneapolis, MN.
- Marsh, R. L., Cook, G. I., & Hicks, J. L. (November, 2003). General and specific costs to retaining and fulfilling prospective memories. Presented at the 44th Annual Meeting of the Psychonomic Society, Vancouver, BC.
- Marsh, R. L., Cook, G. I., & Hicks, J. L. (June, 2003). How intentions can interfere with ongoing tasks. Presented at the Fifteenth Annual convention of the American Psychological Society, Atlanta, GA.
- Cook, G. I., Marsh, R. L., & Durley, J. R. (June, 2002). Source monitoring is biased by the halo effect. Presented at the Fourteenth Annual convention of the American Psychological Society, New Orleans, LA.
- Cook, G. I., Durley, J. R., & Marsh, R. L. (February, 2002). Valenced-Based attributions in source monitoring. Presented at the 28th Annual North Carolina Cognition Conference, Chapel Hill, NC.
- Taylor, R. S., Hancock, T. W., & Marsh, R. L. (February, 2002). Manipulating conformity with levels of abstraction. Presented at the 28th Annual North Carolina Cognition Conference, Chapel Hill, NC.
- Marsh, R. L., & Durley, J. L. (November, 2001). Encoding Specificity Affects source discrimination above and beyond old-new detection. Presented at the 42nd Annual Meeting of the Psychonomic Society, Orlando, FL.

- Hancock, T. W., Taylor, R. S., Durley, J. L., & Marsh, R. L. (February, 2001). Response deadline and remember-know judgments. Presented at the 27th Annual North Carolina Cognition Conference, Greensboro, NC.
- Taylor, R. S., Hancock, T. W., Durley, J. L., & Marsh, R. L. (February, 2001). Priming event-based prospective memory using a partial match to the prospective memory cue. Presented at the 27th Annual North Carolina Cognition Conference, Greensboro, NC.
- Marsh, R. L., Hicks, J. L., & Hancock, T. W. (November, 2000). Manipulating When Outburst and Downcast Become Outcast: Conjunction Errors and Source Monitoring. Presented at the 41th Annual Meeting of the Psychonomic Society, New Orleans, LA.
- Hancock, T. W., Hicks, J. L., Marsh, R. L., & Taylor, R. S. (June, 2000). The contributions of executive control in prospective memory. Presented at the Twelfth Annual Convention of the American Psychological Society, Miami Beach, FL.
- Marsh, R. L., & Hicks, J. L. (November, 1999). The effect of attentional resources of reading on prospective memory. Presented at the 40th Annual Meeting of the Psychonomic Society, Los Angeles, CA.
- Bink, M. L., & Marsh, R. L. (June, 1999). Two heads are better than one? The generality of collaborative inhibition. Presented at the 11th Annual Convention of the American Psychological Society, Denver, CO.
- Hancock, T. W., Hicks, J. L., & Marsh, R. L., (June, 1999). Obliterating false memories with associate recognition tests. Presented at 11th Annual Convention of the American Psychological Society, Denver, CO.
- Mayhorn, C. B., Hicks, J. L., Marsh, R. L., & Hancock, T. W. (April, 1999). Remembering to do things: Older adults display activation but not inhibition in the Intention-Superiority paradigm. Presented at Annual Meeting of the Southern Gerontological Society, Atlanta, GA,
- Marsh, R. L., & Hicks, J. L. (November, 1998). Reducing false recall with conditions of source monitoring. Presented at the 39th Annual Meeting of the Psychonomic Society, Dallas, TX.
- Hicks, J. L., & Marsh, R. L. (November, 1998). The Old-New criterion is more liberal in source than in recognition decisions. Presented at the 39th Annual Meeting of the Psychonomic Society, Dallas, TX.
- Marsh, R. L., Hancock, T. W., Hicks, J. L., & Bink, M. L. (June, 1998). Target repetition in event-based prospective memory tasks. Presented at the Tenth Annual Conference of the American Psychological Society, Washington, D.C.
- Leynes, P. A., Marsh, R. L., Mayhorn, C. B., & Hicks, J. L. (March, 1998). Event-related potentials and prospective memory. Presented at the Annual Meeting of the North Carolina Cognition Group, Durham, NC.

- Bink, M. L., Marsh, R. L., Hicks, J. L., & Howard, J. D. (March, 1998). Who said so? Credibility and memory. Presented at the Annual Meeting of the North Carolina Cognition Group, Durham, NC.
- Mayhorn, C. B., Marsh, R. L. & Hicks, J. L. (March, 1998). Monitoring memory for source: Applying the judgment of learning paradigm to the study of source-monitoring. Presented at the Annual Meeting of the North Carolina Cognition Group, Durham, NC.
- Hancock, T. W., Hicks, J. L., & Marsh, R. L. (March, 1998). Illusions of past performance: A source output monitoring and prospective memory paradigm. Presented at the Annual Meeting of the North Carolina Cognition Group, Durham, NC.
- Marsh, R. L., Hicks, J. L., & Bink, M. L. (November, 1997). Source-monitoring decision criteria change with the question. Presented at the 38th Annual Meeting of the Psychonomic Society, Chicago, IL.
- Bink, M. L., Hicks, J. L., & Marsh, R. L. (May, 1997). Manipulation of decision weights used in source monitoring. Presented at the Ninth Annual Conference of the American Psychological Society, Washington, D.C.
- Leynes, A. P., Allen, J. D., & Marsh, R. L. (October, 1997). Topographic differences in CNV amplitude as a result of preparing for cognitive versus motor tasks. Presented at the 37th Annual Meeting of the Society for Psychophysiological Research, Cape Cod, MA.
- Leynes, A. P., Allen, J. D., & Marsh, R. L. (May, 1997). The effect of S2 relevance on CNV amplitude : An investigation of selective attention. Presented at the Ninth Annual Conference of the American Psychological Society, Washington, D.C.
- Hicks, J. L., & Marsh, R. L. (February, 1997). The revelation effect and criterion-free recognition. Presented at the Annual Meeting of the North Carolina Cognition Group, Chapel Hill, NC.
- Bink, M. L., & Marsh, R. L. (February, 1997). People Create Meaner Space Creatures After Hostility Priming. Presented at the Annual Meeting of the North Carolina Cognition Group, Chapel Hill, NC.
- Marsh, R. L., Hicks, J. L., & Bink, M. L. (November, 1996). Inhibition and activation in the intention superiority effect. Presented at the 37th Annual Meeting of the Psychonomic Society, Chicago, IL.
- Hicks, J. L., Marsh, R. L., & Landau, J. D. (July, 1996). Central Executive Control Mediates Event-based Prospective Memory. Presented at the Eighth Annual Conference of the American Psychological Society, San Francisco, CA.
- Hicks, J. L., Landau, J. D., & Marsh, R. L. (February, 1996). The use of categorical knowledge in generative cognition. Paper presented at the Annual Meeting of the North Carolina Cognition Group, Greensboro, North Carolina.

- Marsh, R. L., Hicks, J. L., & Landau, J. D. (November, 1995). Reviewing and rehearsing intentions in prospective memory. Presented at the 36th Annual Meeting of the Psychonomic Society, Los Angeles, CA.
- Marsh, R. L., Hicks, J. L., & Landau, J. D. (August, 1995). The role of rehearsal in prospective memory. Presented at the Conference on Prospective Memory in Older Adults, Athens, GA.
- Mayhorn, C. B., Park, D. C., Morrell, R. W., & Marsh, R. L. (August, 1995). The effects of cognitive and psychosocial factors on prospective memory tasks performed in laboratory and naturalistic settings. Presented at the 103rd Annual Meeting of the American Psychological Association, Washington, DC.
- Marsh, R. L., & Landau, J. D. (July, 1995). *Cryptomnesia Can Arise from Categorical Constraints on Creativity*. Presented at the annual meeting of the American Psychological Society, New York.
- Landau, J. D., & Marsh, R. L. (1995, May). *Source Monitoring is not Spontaneous in Creative Tasks*. Presented at the Creative Concepts Conference, College Station, TX.
- Marsh, R. L., Landau, J. D., & Hicks, J. L. (1995, February). *Providing examples only appears to constrain the cognitive components of creativity*. Paper presented at the Annual Meeting of the North Carolina Cognition Group, Raleigh, North Carolina.
- Marsh, R. L. & Hicks, J. L. (1994, Nov). *The Contribution of Attentional Mechanisms in Prospective Remembering*. Presented at the 35th Annual Meeting of the Psychonomics Society, St. Louis, MO.
- Marsh, R. L. (1993, Nov). *The influence of unattended dimensions on symbolic distance effects*. Presented at the 34th Annual Meeting of the Psychonomics Society, Washington, D.C.
- Sebrechts, M. M., Seamon, J. G., & Marsh, R. L. (1989). *Secondary memory effects in short-term and long-term recall*. Paper presented at the 60th Annual Meeting of the Eastern Psychological Association, Boston, MA.
- Sebrechts, M. M., & Marsh, R. L. (1987). *Subject-generated vs. author-provided elaborations: Effects of skill acquisition*. Paper presented at the 1987 Annual Convention of the American Psychological Association, New York.
