Doctor of Philosophy in Clinical Psychology..... August 2023 - Present
University of Georgia, Athens, GA

Bachelor of Science in Psychology.....August 2018 - December 2022
University of Georgia, Athens, GA

- Criminal Justice Minor
- Magna Cum Laude
- Cumulative GPA: 3.75
- Major GPA: 3.81

Research Experience

Development and Psychopathology (DAP) Lab..... November 2021 - Present
University of Georgia, Athens, GA

- **Dyadic Assessment of Dads' Support (DADS) Study:** Study on parent-child physiological and behavioral attunement and relations to child developmental outcomes
 - Conducted assessments
 - Set up physiological equipment for the lab visit
 - Greeted families and completed consent form process
 - Placed electrodes on participants to collect physiological data with the BioLab software
 - Administered questionnaires (e.g., SDQ, MaaP, CBQ, ERC) with the Qualtrics survey software in English and Spanish
 - Cleaned up at the end of the session and made sure all data and information was properly saved and stored
 - Created Codebook with all the questionnaire items in the study
 - Wrote scripts for the child assent and consent forms in English and Spanish to use during recruitment
 - Recruited families from diverse sociodemographic backgrounds in English and Spanish
 - Conducted literature reviews on the psychometric properties of the questionnaires to compare to determine appropriateness for use in both English- and Spanish-speaking populations (e.g., SDQ, MaaP, CBQ, ERC)
 - Trained to do brief mental health assessments
- **Latinx Families Project (LFP):** Multi-method, multi-level study examining behavioral, biological, and physiological indicators of self and co-regulation in a sample of Latinx caregivers and their preschool-age children
 - Trained on the collecting of cortisol saliva samples
 - Trained to administer the Woodcock-Johnson battery to preschoolers in Spanish
 - Created Codebook with all the questionnaire items in the study
 - Translated study materials from English to Spanish
- **Family Interaction Project (FIP):** Study using behavioral, physiological, and hyper-scanning functional near-infrared spectroscopy (fNIRS) neuroimaging to examine relations between parent-child synchrony and child self-regulation in a diverse sample of children and their caregivers

Work Experience

YMCA Camp Thunderbird (Seasonal)..... May 2016 - August 2022
Lake Wylie, SC

- **Evening Programming Director/Assistant Land Director** (May 2020 - August 2022)
 - Developed, planned, and organized the entirety of the evening programming (6-10:15pm) for more than 500 campers ages 7 to 15 and 150 staff members, usually consisting of games and activities
 - Gave camp wide daily announcements and instructions at meals and throughout the day
 - Oversaw all land-based activities, and ensured they were complying with safety guidelines, were being run appropriately and had all equipment needed
 - Supervised all staff members that worked at a land base activity, which consisted of around 50% of the staff
 - Managed and repaired basic issues with the electrical light and sound systems
 - Created schedules for the campers' daily activities
 - Resolved any problems at land-based activities
 - Assisted with staff training
 - Organized and set-up campfires each week across camp
- **Camp Counselor** (May 2016 - August 2019)
 - Supervised and managed a cabin of 10-12 children, usually around 12-15 years of age, as well as instructed them throughout the day
 - Generated stimulating activities for campers
 - Worked at the camp's ropes course as a course guide and belayer
 - Wrote letters to the campers' parents about their experience
- **Alumni Committee** (March 2023 - Present)
 - Maintain contact with Alumni, keeping them updated with camp events and news
 - Helped plan camp alumni events
 - Assisted in the planning of the camp alumni newsletter
 - Promote camp donation initiatives to help gain funds for scholarships

Clinical Experience

Positive Outcomes Psychological Services, P.C......May 2022 - Present
Athens, GA

- Translated conversations between Dr. Harvey Gayer and his Spanish-speaking patients
- Administered measures and questionnaires in Spanish to patients who were not English speakers

Philanthropy

YMCA Camp Thunderbird Volunteer.....May 2016 - August 2022

Beta Theta Pi Philanthropy Chair.....October 2020 - October 2021

- Organized an online "Walk for Life" in honor of Stephen Morris, which raised 12,636 dollars for the American Foundation for Suicide Prevention.

Beta Theta Pi Sustainability Committee.....February 2022 - May 2022

- Sought to employ more environmentally friendly everyday living practices within the organization and its members

Sigma Delta Tau Greek Grind.....October 2019

- Largest and most successful Greek philanthropic event on the University of Georgia's campus, raising money for Prevent Child Abuse America (PCAA)
